# Asahi Glass Announces Revision of Operating Results Outlook (Consolidated)

Asahi Glass Co., Ltd. (the "Company") has revised the outlook of consolidated operating results announced on August 5, 2008, for the fiscal year 2008 (January 1 through December 31, 2008), as described below.

## 1. Revised outlook of consolidated operating results for the fiscal year ending December 2008

[January 1 through December 31, 2008]

(Unit: Millions of yen; %)

|  | Net sales | Operating income | Ordinary income | Net income |
|--|-----------|------------------|-----------------|------------|
| Previously announced outlook (A) (announced on August 5, 2008)           | 1,600,000 | 200,000          | 190,000         | 100,000    |
| Outlook as revised this time (B)   | 1,540,000 | 180,000          | 148,000         | 65,000     |
| Change (B – A)   | (60,000)  | (20,000)         | (42,000)        | (35,000)   |
| Change (%) (B – A)/A   | (3.8)     | (10.0)           | (22.1)          | (35.0)     |
| Previous period (actual results for fiscal year ended December 31, 2007) | 1,681,238 | 197,452          | 187,878         | 69,634     |

#### 2. Reasons for revision (consolidated)

The Company expects operating results for the AGC Group as a whole to be affected by decreases in demand in various markets including housing, automobile, and home electronics, resulting from worldwide aggravation of the economic environment due to the financial crisis originating in the U.S.

In addition, non-operating expenses are estimated to exceed the previous forecast due to rapid fluctuations in foreign exchange markets.

As a result, the outlook for consolidated net sales, operating income, ordinary income, and net income are expected to fall short of the outlook for consolidated operating results announced on August 5, 2008.

### [Supplementary information]

### Outlook of consolidated operating results by business segment (consolidated)

Fiscal year ending December 31, 2008

(Unit: billions of yen)
